

RAJIV GANDHI PROUDYOGIKI VISHWAVIDYALAYA, BHOPAL SCHOOL OF NANOTECHNOLOGY

ADMISSION 2020-21

Why Study Nanotechnology?

- Nanotechnology is an interdisciplinary field and the future of science and technology.
- Hands-on training with state of the art facilities for industrial exposure
- Syllabi & Laboratories are in line with the creation of research with global universities in competency.
- An opportunity to collaborate and get exposed to modern science at the global level
- A chance to get a Ph. D from renowned universities abroad
- An opportunity to connect and get a Ph.D with India's top research organization (IISc, IIT's, NIT's, CSIR Labs etc.)
- An opportunity to interact and discuss with foreign Professors and to work with our various domain experts

Candidates are required to Register through the Online Admission Portal (<https://dte.mponline.gov.in/>)

Last date to apply: 13/11/2020

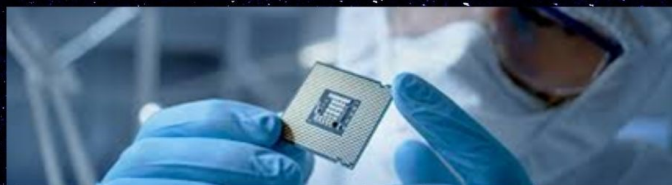

M.Tech in Nanotechnology

DTE announces admission to 2-Year M.Tech program in Nanotechnology. Candidates aspiring to join the above program should satisfy all specified eligibility criteria.

Eligibility

B.E/B.Tech Degree in ECE / EEE / E&I / Mechanical / Civil / Computer Science/ Information Technology / Chemical / Metallurgical / Nanotechnology / Materials Engg / Nanoscience & Tech. / Materials Science & Engg / Ceramic / Electrochemical / Biomedical.

M.Sc. Degree in Physics / Chemistry / Electronics / Material Science / Solid State Physics / Nanotechnology / Nanoscience / Applied Chemistry / Biophysics / Computational Physics or any equivalent degree.
